

Call for All Citrix XenServer Administrators:

Help us develop the next CCA exam and earn yours – for free!

When? Monday, September 13th – Friday, September 17th

Where? Citrix Systems, Inc. Alpharetta Office

The Citrix Education team is offering qualified, experienced Citrix XenServer administrators the opportunity to participate in a five-day, onsite item development and review workshop acting as Subject Matter Experts (SMEs). There is no need to prepare ahead; simply attend all five days and work alongside other experts like yourself helping to develop the new version of the CCA exam for XenServer.

Participants of this workshop will:

- Receive training on how to write questions for certification exams
- Work alongside our Exam Developers to develop both standard and innovative questions
- Partner with other experts to review, modify and finalize questions written by other participants of the workshop

Citrix Education has a limited number of travel scholarships available for participants to travel to Alpharetta, Georgia if needed.

Compensation

Participants of the workshop will receive credit as Subject Matter Experts for all of the exams and courses that are designed based on their input, as well as a free copy of the XenServer courseware manual, in addition to other benefits.

Criteria for Participation

In order to be considered SMEs, participants must have:

- Implemented Citrix XenServer 5.5 or higher
- At least 1 year experience administering Citrix XenServer
- Experience implementing, interfacing or managing data storage technologies for virtualized environments
- Experience configuring network settings, including multiple NIC bonds for dedicated traffic
- Knowledge of enterprise server and client operating systems
- Knowledge of basic Linux-based xe commands

Selection Process

All interested persons will need to complete a short survey on your experience with XenServer. We will select finalists based on the survey results. Finalists will then be interviewed to determine those who would best fit the purpose of this workshop.

If you, or a member of your technical team, are interested in participating in this workshop, please send an email to Lourdes Soler at lourdes.soler@citrix.com. Please include your phone number, and the dates and times when it would be convenient for you to be contacted.
